

How to Check Prescription Coverage & Compare Pharmacy Costs

Using MyPrime.com with Your BCBSTX Member ID

Prime Therapeutics administers the prescription drug benefits for Warren Equipment Company. By creating a personal account on **MyPrime.com**, your plan details load automatically so you can confirm whether a medication is covered, see tier copays, and compare pricing across nearby pharmacies.

Step 1: Register Your Account

1. Locate your **BCBSTX Member ID card**.
2. Go to [MyPrime.com](https://myprime.com).
3. Click **Register** in the top-right corner.
4. When prompted, select **Blue Cross and Blue Shield of Texas (BCBSTX)** as your health plan.
5. Enter your **Member ID** (including the three-letter prefix, exactly as shown on your card), name, and date of birth.
6. Follow the on-screen prompts to set up your username, password, and security question to complete registration.

*Tip: You can also access MyPrime without a separate login by signing in to your **BCBSTX Blue Access for Members (BAM)** account at bcbstx.com and selecting **Pharmacy** from your dashboard.*
